

Download Four Views On Creation, Evolution, And Intelligent Design

I'm an apologetics doctoral student at Veritas International University so I have a strong interest in this area. The book is called Four Views On Creation, Evolution, and Intelligent Design (Grand Rapids, Michigan: Zondervan, 2017). Dr. Hugh Ross talks about the scientific reasons to believe in God on The Eric Metaxas Show | Dec 19th, 2017 Four Views on Creation, Evolution, and Intelligent Design presents the current "state ... Discoveries in cosmology, paleontology, and genomics has considerably changed the context for the creation-evolution debate in the last two decades. If I had to pick one book that concisely gives an overview of the controversy over human origins, Four Views on Creation, Evolution, and Intelligent Design would be it., Four Views On Creation, Evolution, And Intelligent Design.
