Music Therapy Music Therapy. The healing power of Music. From ancient times, music proved to have a strong influence for each different culture. All people living on this planet, even the most isolated tribes, have their own music and chants. In the Amazon forests, for example, they have a tradition to enchant water with healing thoughts and songs. All this, in order to treat different type of physical dysfunctions. Music Heals - The Powerful Healing Power of Music Therapy By Dueep Jyot Singh But most of us do not know that music can also heal, and when I got interested in this traditional method of healing one spiritually, mentally and emotionally through music, I began by researching in ancient musical therapy processes all over the world.
