Beverly Jenkins is one of the USA Today bestselling authors of the African-American descent, who likes to write her novels based on the contemporary and historical romance genre. This card has a decent interest rate and that's always nice to find in the secured credit card category. Harmonium is the second album by American pop singer-pianist Vanessa Carlton, released by A&M Records in the US on November 9, 2004. Carlton co-wrote some of the album with Stephan Jenkins, her then-boyfriend and the lead singer of Third Eye Blind, who produced the album., A Second Helping Beverly Jenkins.
