

Download A Tune A Day For Trumpet Or Cornet

In Tune Music is one of Sydney's leading Brass & Woodwind Instrument repairs centres. In Tune Music repairs Saxophones, Flutes, Clarinets, Trumpets, Trombones and Lower Brass. First I need to apologize to the uninitiated followers of trumpet history. This will not be an entertaining document. This might be boring to the casual reader but for the rest of us who are deeply interested in how our trumpet/cornet history has been developing, I think this is worth reading. Welcome to the Smith Watkins Website Good players command sophisticated instruments. They know the sounds they like to hear and want an instrument adaptable enough that they can forget the mechanics and just concentrate on making great music; Smith-Watkins instruments enable them to do just that. These are Original Manufacture Parts (OEM) straight from the Yamaha factory. We have the most common parts available listed here on our site. However, if you need a part we don't have listed, just Contact Us and we can probably get you the part!, A Tune A Day For Trumpet Or Cornet.
