

Download Christianity And The Supernatural Why The Bible Is Relevant Today

One of the common criticisms of Christianity is that it is too old-fashioned to be relevant for living in today's society. It is often thought that the Bible speaks to a different time and place that no longer exists in modern society. It's an interesting question is the bible still relevant? Relevant to who, relevant to what? If you're a believer then I would think that it would be relevant, but as a non-believer I can't of course speak for the other side. The central tenet of Christianity is the belief in Jesus as the Son of God and the Messiah (Christ). Christians believe that Jesus, as the Messiah, was anointed by God as savior of humanity and hold that Jesus' coming was the fulfillment of messianic prophecies of the Old Testament. Why did celibacy become mandatory for priests? Let me start by copying and pasting an answer to a similar question received previously. You will find the rest of my answer to your, Christianity And The Supernatural Why The Bible Is Relevant Today.
