For your email to be read, it has to be opened. Your goal should be to compose a subject line that is clear and, ideally, provocative. It's much like writing a compelling headline for an article or blog post that you want people to click on. Categorising the Best Photography Books. During my research to uncover the best photography books, I soon realised that for a book to have helped or had a big influence on a photographer, it didn't necessarily have to be a book about photography.
